## Further information

About me

In recent years, I have been studying without the opportunity to work.

In recent years, I have been looking for a job.

I have been learning python programming language for 6 months and in this period, i studied how to work with PostgreSQL database and also learned Creating cool telegram bots using aiogram package...

Currently I'm focused on learning the django framework and the rest framework for building APIs.

Here are my github link: <https://github.com/abdurahmonovjamshid>

and also my simple working web site: <https://jamshidabdurahmonov.pythonanywhere.com/>
